COVID-19 VACCINATION DRIVE

#ShotOfHope

Monday
28 June, 2021

To offer convenient access to the vaccine and preventive safety of our community, we are organizing a vaccination drive as part of the **Legacy Cares** initiative, in partnership with Narayana Health, a high-quality private healthcare service provider, to inoculate **Covishield** vaccination at the **Legacy School Bangalore campus on Monday, 28 June, 2021.**

Due to limited availability, the Covishield vaccination is priced at **800 INR per vaccine**. To ensure distancing and a safe vaccination experience, we request you to confirm your registration and choose your preferred slot latest by **7:00 PM on Sunday , 27 June**, to register for the vaccination.

How to Register for Vaccination?

Step 1: Payment Method

To make the payment for the vaccination kindly follow the link or make a transfer with IMPS details as shared below. You may use the copy of the same payment confirmation for booking the slot for all your registered family members. Kindly save a copy of the payment confirmation and keep it handy to be uploaded in form link provided in Step 2. Kindly make a separate booking for each person registered to receive the vaccination.

[CLICK HERE FOR PAYMENT LINK](#)

IMPS Details

- Account Name: Legacy School
- Account Number: 002283900001570
- IFSC Code: YESB0000022
- Branch Name: Kasturba Road, Bangalore

Step 2: Payment Confirmation

Once the payment for all the registered members has been made, please fill the Google form shared below to confirm your payment and access the link to book your Appointment Slot.

Step 3: Block an Appointment

Kindly ensure that before you continue to Step 3, you have gone through Step 1 and 2. To block and confirm a vaccination appointment slot, please fill the Calendly link that will follow after the submission of the Google Form in Step 2.

It is to note that once you block your slot, you will receive an email of confirmation for your vaccination and it cannot be changed so please verify the time you would be choosing.

Points to be noted:

- As per the Government guidelines, the second dose of vaccination will be strictly administered only to those who have completed 84 days from the date of receiving the 1st dose.
- As per the hospital guidelines, persons who have recently recovered from Covid19, will be eligible to receive the vaccination only after 90 days from the date of testing Negative.

Thank you again for all the ways in which you are supporting us to keep the community safe and healthy. We want you to feel confident in your decision to get vaccinated and will be happy to assist you with any clarifications that you may have. We welcome your questions.
