GRADING SCALE FOLLOWED INTERNALLY AT LEGACY SCHOOL

Grade boundaries of our school level examinations are higher than the grade boundaries of CIE – AS & A Level exams. This is done to ensure students remain motivated and focused during their high school academic years. Our current International Baccalaureate Diploma Program (IBDP) grade thresholds are established in reference to the standard IBDP grade thresholds. However, it's important to note that Legacy School grade thresholds are intentionally more stringent than those of the IBDP, to inspire our students. Of note, Legacy School grade requirements were significantly above the IB grade thresholds in previous years.

The School does not provide Class Rank or GPA.

STUDENT PROFILE

COMMUNITY SERVICE & CULTURE

At Legacy School, community service is deeply ingrained in our cultural fabric. Our students actively participate in a wide array of community service initiatives that benefit our local community and instill a profound sense of responsibility and empathy within them.

These initiatives encompass a diverse range of activities, from assisting animal shelters to organizing toy and book collection drives, and even contributing to environmental cleanup endeavors such as the restoration of Rachenahalli Lake. Moreover, we maintain a year-round partnership with Vidyaniketan Academy to support children with special needs, as well as collaborate with the Manna Development Disability Center to assist visually impaired and autistic children.

Our school's unwavering commitment to community service enriches the lives of those we serve and moulds our students into compassionate and responsible individuals who carry these values beyond graduation.

At Legacy School, we foster a respectful, supportive, and nurturing culture. Our teachers lead with integrity and transparency, playing an active role in our students' success. We value collaboration, teamwork and are committed to being problem solvers.

SPORTS & CO-CURRICULAR ACTIVITIES

Our students consistently showcase exceptional talent and dedication in their respective events, embodying our school's unwavering commitment to fostering excellence in sports and co-curricular activities often resulting in the acquisition of prestigious accolades and trophies.

We take immense pride in nurturing their talents and cultivating essential life skills such as teamwork, discipline, and perseverance through active participation in these events.

We're proud to be a school that champions student-led productions, made possible by our exceptional performing arts team. On May 30th, we staged PAUSE – a production open to the public, inviting audiences to experience the magic our students create.

Our students' national, state, and inter-school achievements showcase our commitment to holistic education and well-rounded individuals.
